Subject: Clarification Regarding AICTE Approval for BBA and BCA Programs Respected Sir/Madam,

We, Kai. Wamrao Pitambare College, Padegoan , would like to submit the following clarification regarding the AICTE approval for our Bachelor of Business Administration(BBA) and Bachelor of Computer Applications (BCA) programs.

- 1. Introduction of Programs:** Our College is traditional college which runs BA and B.com, B.Sc. BBA, BCA, M.com, MA (Hindi and History), MSC (Chemistry) MSC Computer Science etc traditional courses. The college introduced the BBA program in2009 and the BCA program in 2013. Both programs have been approved and affiliated with Dr. Babasaheb Ambedkar Marathwada University, Aurangabad.
- 2. Issue Regarding AICTE Portal:** Recently, while updating institutional details, we were unable to fill in the required information on the AICTE portal. Upon approaching the AICTE regional office in Aurangabad for clarification, we were informed that BBA and BCA programs fall under the purview of the Higher Education Department, not AICTE, and hence AICTE approval is not mandatory for these programs.
- 3. Clarification from AICTE:** Subsequently, we received an official letter stating that AICTE approval is not mandatory for BBA and BCA programs for the academic year 2024-25. We have attached the letter and other relevant documents for your reference.
- 4. Affiliation Status:** The College holds all necessary approvals and affiliations from Dr. Babasaheb Ambedkar Marathwada University, Aurangabad, for running these programs, ensuring that the academic standards and curriculum are in accordance with university regulations.

In light of the above, we kindly request you to consider this clarification and the attached documents while reviewing our institution's compliance. We assure you that all necessary approvals and affiliations from the competent authority are in place for our BBA and BCA programs.

We look forward to your kind consideration and further instructions. Thank you.
