

Library Profile

1) Introduction.

Library is automated using Integrated Library Management System (ILMS) Siddharth Library & Information Science College; Library is situated in a separate block with 600 sq. ft. It has 20 seating capacity. A special rack has been allotted outside of library for keeping the belongings of students before they enter the reading hall. Library has established conducive atmosphere with provision of tables and chairs for reading with good ventilation for the students. Library is the resource hub for knowledge and has a vast collection of books, journals, magazines, periodicals. Siddharth Library & Information Science College, Library is fully automated Software for university libraries (SOUL 3.0) software is used and that is developed by INFLIBNET. It's a latest version and It is used for data entry of different type of books, journals, and documents, stock verification, book bank, vigorous maintenance functions. It provides facility to send reports through mail, allows saving the reports in various formats such PDF, Excel, etc.

SOUL 3.0 Software is very versatile and is extensively used for generating all the reports that are required in day to day requirements of the Library. And its user friendly OPAC with simple and advance search. Which is used by students & faculty for search of books by title/ author name etc. All the work related to issue and return has been computerized. All books are under processed bar-coded. All the library documents are under processed bar-coded and books are issued to users by reading the barcode of the document. Separate reading room is available for Students and Faculty. Computer with internet facilities. Highlights of facilities in Library: The books are arranged according to systematic manner. Reference section: Separate reference section for Books, Journals, and exam related materials are also available in the library. The library of Siddharth Library & Information Science College also News paper sections there. Question Bank: Question papers of University Examination are available for the past 5 years for students. Open Access of arrangement of print and non-book materials. A file is also maintained. Library Advisory committee meetings minutes implementations: The library committee meets at regular intervals for selection of books and other Library material Library Issue. This committee allocates department wise budget for purchase of Books, Journals, and Magazines.

2) Goals of Library.

- To increase the collection of materials which are relevant to the user population.
- To provide quality programs which support the mission of the Siddharth Library & Information Science College library.
- To evaluate current library services and make changes to meet the needs of the Students Siddharth Library & Information Science College.
- To increase the accessibility of materials and services.

3) Learning Resources

Details of Library Collection

No. of Books – 1091

No. of Journal – 05

- **List of Special Collection**

Dr.B.R.Ambdekar Rare Books Collection

- **Collection Development Policy**

Siddharth Library & Information Science College, Library has drafted its own 'Collection Development Policy'; it assures the procurement of information resources required by its stakeholders as per the domain. To attain overall collection development across all the domains, the requirements from the faculty members were asked by sharing the 'Google Sheet' from the library before the semester starts and asked them to put the details of the required book/s or any other information resources, this speeds up the process of selection and the required resources can be procured on time; on the other hand students also put their requirements by filling up the 'Book Requisition Form' kept in the library and need to drop it in the 'Drop Box' provided in the library; all the purchases are channelized through the 'Library Advisory Committee' by taking its approval & sanction from the concerned authority

- **Library Services.**

- 1) Circulation Service
- 2) Reservation of Documents
- 3) Assistance in the Use of Library and Library Tools
- 4) Reference Service
- 5) Library Orientation

- **List of Equipment's**

- 1) Computers
- 2) Photocopying machines
- 3) Digital camera
- 4) Scanner
- 5) Printer

- **Best Practices.**

- 1) Books Exhibition
- 2) 12 Aug Dr. Ranganathan Jayanti Books Exhibition.
